A regular meeting of the Board of Directors (the Board) of Trans Pride Initiative, a Texas corporation (the Corporation), was held July 9, 2012, at 7:00pm Central Standard Time. The meeting place was the home of Nell Gaither.

**Directors Present**
Nell Gaither, Simone Stevens

**Directors Absent**
Jamila Davis

**Call to Order**
Nell Gaither called the meeting to order at 7:00pm. Nell Gaither recorded the minutes in the absence of Secretary Jamila Davis. A quorum of directors was present, and the meeting, having been duly convened, was ready to proceed with business.

**Report of President**
President Nell Gaither provided a recounting of the various efforts undertaken since the last meeting. Main points included

- Acceptance to present at the Texas Department of Health and Human Services’ HIV/STD conference in October
- Meeting several contacts active in LGBT community representation and advocacy
- Noted ordering a certified copy of the articles of formation from the Secretary of State, and surprise at getting an email costing $18.

**Secretary**
In the absence of the Secretary, acting Secretary Nell Gaither provided the following:
- Presented minutes from the June 7, 2012, meeting of the Board for approval. Nell moved that the minutes be accepted. Simone did not second. Minutes to be presented again at next meeting of the board.
- No further items from the acting Secretary

**Treasurer**
The Treasurer
- Presented a balance sheet and general journal record for the corporation
- Noted the bank still had not fixed the problem with account charges, and she will check with them again soon.
- Noted that an invoice still had not been created (invoice creation requested in March 2012); President showed Treasurer instructions about how to create an invoice.
- Presented a Donation Pledge Form; will need editing if using
- Went over what had been found so far on other means of processing credit cards and fundraising tools. No recommendations could be made about what the best options were for either effort.
  - These need to be two separate comparisons
  - Credit card processing alternatives only needs to identify whether there are cheaper means of processing cards or nonprofit tools such as Donor Bridge that offer some value added service for little or nothing extra above PayPal
• The fundraising tool comparison is for fundraising projects or campaigns or specific efforts and needs to be a comparison that lists each along with costs, advantages, disadvantages, etc., so we can determine which tools to use for which types of fundraising efforts.
