Unfinished Business

• There was no unfinished business.

New Business

• For discussion: renting an office and insurance. Robyn joined by phone for this discussion. The subject of renting an office space was brought up. The space is at Wynnewood Shopping Center and costs $400/month, with all utilities paid except internet. We discussed the length of the contract (six months), the access to conference rooms, the possibility of having a UTD intern (not possible without an office), as well as the cost compared to the cost of meeting in restaurants (comparable).

  Previously, Bret had brought up the need for insurance if having more meetings in a space we were responsible for.

  Proposed: if the insurance comes at or under $800/year, then we should go ahead and take the office and the insurance.

  Consensus: No one blocked; no one stood aside; Robyn, Simone, and Nell supported. Bret had previously indicated support in a separate conversation. Proposal adopted. Robyn disconnected after this item of discussion.

• Proposed: Adopt the TPI member commit form, as in current draft of the Member Guide.

  Consensus: No one blocked; no one stood aside. The proposed member commit form was adopted.

• Proposed: Adopt the TPI decision-making chart, as in current draft of the Member Guide.

  Discussion: Decided to table until the next board meeting, giving board members time to go over more closely.

Open End

• There was no open end discussion

Adjourn meeting

Simone motioned that the meeting be adjourned. Nell seconded. The vote to adjourn was unanimous. The meeting was adjourned at 7:37pm.

Respectfully submitted,
